**Central Academy**

Central Academy, founded in 1992, creates a challenging and rewarding academic experience by combining exceptional teachers, small class sizes, and the highest performing educational systems. Central Academy is a national leader in innovative education. Through internationally acclaimed academics and the nation's first integrated Pre-K through 8th grade leadership and entrepreneurial development program, our students are empowered to lead purposeful and extraordinary lives.

Central Academy builds leadership, confidence and pride for each student. We realize world language, performing arts, visual arts, technology and fitness, along with the academic content classes, create a space for students to grow and learn in all areas of their school life as well as discover their individual passions and gifts.
